Shelton Cemetery

19400 Burmood Road
Shelton, NE 68876
Approximately 1/2 mile east of
town on Burmood Road

Open: Sunrise to Sunset

The Village of Shelton maintains the Shelton Cemetery located 1/2 mile east of Shelton on Burmood Road.

With the help of the Cemetery Beautification Foundation it is a beautiful and peaceful resting place for loved ones.

For lot and burial information, contact the Village of Shelton Office.

“A Cemetery is a history of people—a perpetual record of yesterday and a sanctuary of peace and quiet today. A Cemetery exists because every life is worth loving and remembering—always.”

Unknown Author

The Village reserves the right for it’s employees or other staff to enter on or cross over any lot in the cemetery in the performance of their duties.

The Shelton Cemetery is the final resting place for our loved ones. To insure the quality of continued care and an aesthetically pleasing environment certain regulations must be adhered to.

We know that you will agree that the natural, living beauty of nature is the finest tribute we can pay to our loved ones laid to rest in our care. To keep the cemetery beautiful and peaceful, we respectfully request your cooperation with the regulations.

We do not wish to displease anyone. We want to make sure that these rules will provide a beautiful and comforting place in which to come and pay your respects.

We thank you for your cooperation.

General clean up time is March 1st and November 1st. Please pick up decorations you wish to save before those dates.

Flowers & Decorations

Any item that is not durable enough to withstand harsh outdoor weather should not be used.

All planting of trees, shrubs, and flowers will be done by or with permission of the Village. Existing plantings may be removed by the staff without notice, when they become undesirable.

Generally, all flowers and decorations are allowed for 10 days following Memorial Day.

Flowers, wreaths and all other items not in permanent bases will be removed with no notice when they become unsightly or a hindrance to lawn maintenance. Use of glass, ceramic, tin cans, toys, balloons or stuffed animals should be avoided. Items not in good taste will be removed without notice. Any items not in permanent vases must be put on the stone.

No curbing, edgings or fencing is allowed around any lot, grave, or stone. Benches must be placed in the stone row on a concrete foundation, with permission only.

Flag holder and shepherd’s staffs must be permanently installed in the concrete wash. Flags will be removed when they become torn or faded. The Cemetery does not put or replace flags on individual graves. No wraps (flowers, garland, or ribbon) of any kind, around rods or flagpoles are allowed.

Unfortunately, flowers and decorations do get stolen. The Cemetery has little control over who visits individual gravesites and assumes no responsibility for theft or vandalism.

Lot owners should include their Cemetery lot when making their wills.

Children should be accompanied by adults and not allowed to climb on stones.

No picnics or park type activities are allowed.

Pets must remain in vehicles or on a leash. You are responsible for picking up after your pet.

The Village does not sell or set any stones, monuments or vases.

These regulations are to be used only as a guide, for further detailed information please contact the Village Office.
