

Shelton Public Library Announcements March 2025

The Shelton Library Facebook Page is no longer accessible to the Library Director. I am working on this issue however it may not be recovered. For library news, please refer to the Village of Shelton, NE website – Library Page or Shelton-Nebraska Facebook Page.

There will be an ADA Improvement Project this year that may affect the library schedule. I will keep you up-to-date of any changes as they develop.

“HELP WANTED”

Shelton Public Library was awarded the 2025 Library Internship Grant. We are seeking TWO interns this year! Applications are being accepted at the library or the Shelton Village Office. Please indicate on the application if you have a preference of working in June or July. If you have no preference, write “No Preference” on the application. APPLY NOW! Interns will work 37 hours this Summer at an hourly rate of \$13.50. You must be at least fourteen years of age, a student of Shelton Public School, and have a general interest in Library Sciences. This is an amazing opportunity to receive hands-on work experience and give back to the community. It is a notable accomplishment on college applications! Interviews will be held in May 2025.

Shelton Public Library was awarded the 2025 Youth Services for Excellence Grant. The project title is “A Recipe for Discovery.” This program is for children of all ages. We will learn about the five senses of the human body and be introduced to (AI) Artificial Intelligence and (VR) Virtual Reality. We will build and program robots! We will explore space, the ocean floor and walk with dinosaurs! Registration Forms will be available at the school and the library in May 2025.

The Library Internships and Youth Services Projects are supported in part by state aid funding appropriated by the Nebraska Legislature, granted and administered by the Nebraska Library Commission.
